CAPS Premium Grade R Programme

- The material for the children is available in **ENGLISH** or **AFRIKAANS**
 - This programme follows the CAPS document for Grade R and meets **ALL the requirements!**
 - PLUS there is a checklist showing where in the programme each requirement is met.
 - The **topics** are according to those in the **CAPS document** with a few extras.
- The programme has been developed in consultation with Grade R teachers and we are confident you will love it!
- Especially our assessment tools! Rubrics included.
 - Theme-based illustrated **art activities online** along with the other resources in the lesson plans.
 - The addition of colour and a wealth of activities PLUS our high quality standards make this an excellent choice.
 - Value for money with two activity sheets a day! A **Mathematics** and a **Language** activity!
